

IFCA Call for Board of Directors Nominations & Announcement of IFCA Annual Meeting

The IFCA will hold its annual meeting at 10:00 am on January 22, 2020 at the Peoria Civic Center. At this meeting we will announce the results of the election of Directors to serve from 2020-2023.

After reviewing the slate of candidates nominated for these open positions, the IFCA Board Nominating Committee will make its recommendation to the Board of Directors. Once the Board has approved a slate of candidates, a mail-in ballot will be sent to members in accordance with the IFCA bylaws.

The following Board of Director positions are up for election:

- **Seed Industry Representative*:** Carl Kessler with Syngenta in Auburn is **retiring after serving 2 terms.**
- **Retailer District #1:** John Musser with Stephenson Service Company in Stockton is **retiring after serving 2 terms.**

*Due to industry consolidation in the seed/chemical sector, the IFCA Board is revising the IFCA bylaws to make the seed industry seat an At Large seat beginning in 2020, meaning any eligible IFCA member in any category of membership is eligible to run for election to this seat.

Directors will serve a 4-year term and the elected Directors will be announced at the IFCA Annual Meeting on January 22, 2020 in Peoria. IFCA Directors may serve two consecutive terms.

Please review the IFCA district map on the back side of this document. Nominees for the Retailer seat in District 1 must work in retail within that District, and only IFCA members from that District will be allowed to vote to fill the Board seat in that district. For the At Large Representative, nominees can be from any area of the state and the entire membership may vote for this candidate.

You may nominate as many people as you wish for in these open seats. However, when considering candidates, please keep these criteria in mind:

- They must be an IFCA member in good standing.
- They will commit to attending a minimum of four board meetings per year.
- They will attend IFCA functions.
- They will represent the industry on behalf of the organization.

You may duplicate this form if you wish to nominate more than one candidate.

I would like the following person to be considered by the Nominating Committee for the 2020-2023 IFCA Board of Directors:
