

RESTRICTED USE PESTICIDE

To be used by certified applicators only; NOT to be used by uncertified persons working under the supervision of a certified applicator, except that uncertified persons may transport containers.

Additional Illinois-specific restrictions as found on
EngeniaHerbicide.com/labels

For Distribution and Use Only in the State of Illinois

Engenia[®]

Herbicide

This labeling expires February 6, 2028, and must not be used or distributed after this date.

EPA Reg No. 7969-507

Directions For Use

- It is a violation of federal law to use this product in a manner inconsistent with its labeling.
- **Refer to the Engenia[®] herbicide container label for complete Directions For Use and all applicable restrictions and precautions. Use of Engenia according to this labeling is subject to the use precautions, restrictions, and limitations imposed by the label affixed to the container for Engenia. Read the label affixed to the Engenia container before applying. This labeling and the Engenia container label must be in the possession of the user at the time of pesticide application.**
- **In the event that there are any inconsistencies with the directions for use between this and any other labeling for this product, follow the directions for use on this labeling.**

Application Directions

In order to apply **Engenia** in Illinois, the following requirement applies:

Temperature Restriction

A pesticide containing dicamba shall not be applied on soybeans if the air temperature at the field at the time of application is over 85 degrees Fahrenheit or if the National Weather Service's forecasted high temperature for the nearest available location for the day of application exceeds 85 degrees Fahrenheit. Local National Weather Service forecasts are available at <https://www.weather.gov>.

Cut-off Date Restriction

Application on soybeans of a pesticide containing dicamba shall not be made after June 20 of each year.

Other Requirements

Before applying a pesticide containing dicamba on soybeans, the applicator shall consult the FieldWatch sensitive crop registry (<https://www.fieldwatch.com>) and comply with all associated record keeping and label requirements.

Application on soybeans of a pesticide containing dicamba shall not be made if the wind is blowing toward:

- 1) Any Illinois Nature Preserves Commission site that is adjacent to the field of application; or
- 2) An adjacent residential area.

RESTRICTED USE PESTICIDE

The user must check **EngeniaHerbicide.com/labels** no more than 7 days before application of this product for additional labeling, including state restrictions. Where applicable, users must comply with additional requirements found on this website.

Record Keeping Requirement: Maintain a copy of the product label and any labeling that supplements the product label.
